City Clerk Agenda

To:Lopez, Donna <dlopez@cambridgema.gov>;

Dear Council Members;

Hello, I am a resident of North Cambridge, and I have been very disturbed in the past few months by the huge increase in the volume and level of airplane traffic noise in our area. Many of my neighbors feel the same way. I am happy to see that this issue is on the agenda for tonights May 18 meeting. I regret that I am unable to attend tonights meeting, but I wanted to register my concerns about this issue. I thank you all for addressing it, and I hope that our combined efforts will have some prompt effect on solving the problem. I will be following this issue closely.

Very Sincerely;

Margaretta Sangree
